THE REFUGE

Project List Marilyn Klassen

Because you asked

Several people have asked for an estimate on the cost of our future projects.

Over this next year we would like to work on the following projects. Some are more urgent than others.

1. Renovate the existing bathroom in the upstairs and turn the small bedroom next to it into a second bathroom. One toilet, shower and sink in a family style bathroom just doesn't work with 23 people staying the night or a month. Although we would love to have you help, this is really a job for our local expert BUT we need the money to do it.
ESTIMATE: 3000€ PER BATHROOM

2. We need roof top water tanks on two rooves to make sure no one is left standing in the shower with no water.
ESTIMATE: 350€ PER TANK PLUS INSTALLATION
3. Our gardens which have been one of our biggest attractions have been neglected

over the last couple of years and need some tender loving care.

ESTIMATE: 250€ PLUS IDEAS AND CREATIVITY

4. Paint the whole house, inside and out, big job that can be broken into parts if necessary

ESTIMATE: 25€ PER ROOM (12 ROOMS)
EXTERIOR ESTIMATE: 250€

5. Install a solar hot water system, we get lots of sun and need lots of hot water when the house is full.
ESTIMATE: 1250€
6. Reconfiguration of main floor bedrooms to provide a storage area for the kitchen and enlarge a small bedroom. This will mean opening a door through a stone wall into the kitchen and moving another wall
ESTIMATE: 1000€

The Refuge

Since the beginning of September, we have taken over the management of the second house that was donated to the Alliance in Spain. Much of the property has been reformed to prepare the bedrooms for guests. Security needs to be improved on windows and doors as well as around the swimming pool. The kitchen urgently needs reforming but will be more a family style kitchen. The house will be used for pastor's families for retreats and vacations, it sleeps 16 people, 4 to a bedroom.
